Motions and Resolutions

Reps. Schor, Barnett, Brown, Darany, Geiss, Kelly, Roberts, Singh and Slavens offered the following resolution:

House Resolution No. 192.

A resolution to declare October 2013 as Harvest Gathering Month in the state of Michigan.

Whereas, The Food Bank Council of Michigan represents regional food banks that serve all 83 counties in Michigan; and

Whereas, 24.8% of Michigan residents regularly face hunger in their household; and

Whereas, 23% of Michigan children do not have a consistent source of healthy, nutritious food; and

Whereas, Michigan food banks distribute food and resources to direct service agencies including pantries, after school programs and senior centers; and

Whereas, Michigan food banks coordinate outreach and educational programs throughout the year to promote healthy and responsible choices that affect hunger; and

Whereas, The Food Bank Council of Michigan provides statewide leadership to food banks in their efforts to alleviate hunger through the distribution of surplus food to those in need; and

Whereas, The Food Bank Council of Michigan coordinates surplus donations from Michigan farmers in order to make available fresh, nutritious produce into the emergency food system; and

Whereas, The Food Bank Council of Michigan is in the position to mobilize many diverse facets of Michigan communities including corporate entities, foundations, Michigan farmers, state government employees, health care centers, and individuals at a state-wide level; and

Whereas, The Food Bank Council of Michigan has consistently increased the capacity and support for the annual Michigan Harvest Gathering since 1991, making a significant impact in alleviating hunger throughout challenging economic years in the state; and

Whereas, The Michigan Harvest Gathering looks to expand its efforts to further reach Michigan residents to understand hunger in their communities and assist those in need of emergency service; and

Whereas, The state of Michigan can be proud to encourage the collaborative and innovative strategies which bring positive impact and security to families, individuals and communities that are desperately in need of support; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body declare October 2013 as Harvest Gathering Month in the state of Michigan.

The resolution was referred to the Committee on Families, Children, and Seniors.

Reps. Roberts, Slavens, Tlaib, Switalski, Darany, Hovey-Wright, Townsend, Yanez, Brinks, Irwin, Zemke, Banks, LaVoy, Barnett, Geiss and Singh offered the following resolution:

House Resolution No. 193.

A resolution to urge the Food and Drug Administration to require that genetically modified foods be labeled as such and to allow non-genetically modified foods to be labeled as GMO-free.

Whereas, Genetically modified foods are developed using recombinant deoxyribonucleic acid (rDNA) technology, which is often referred to as “genetic engineering” or “biotechnology.” These foods are created by transferring genes from one organism or species into another organism or species; and

Whereas, Genetically modified foods may be risky. Despite scientific advancements, scientists cannot predict exactly where in an organism’s genome an inserted gene will end up. A gene’s location is very important. The transferred gene could end up causing a mutation that could lead to the production of a toxin or an allergen; and

Whereas, The American public is uncertain about the safety of genetically modified foods. A poll conducted by the Pew Trusts found that only one third of Americans think genetically modified foods are safe; and

Whereas, American consumers should have the freedom of choice in the health and safety of the foods they eat. Consumers want to know how much fat, sugar, and salt are in their foods because they are concerned about their health; and

Whereas, Since many Americans think genetically modified foods may not be safe, they should be able to avoid foods that were developed using genetic engineering. When polled, Americans consistently and overwhelmingly think the federal government should require labels on food saying whether or not it has been genetically modified; now, therefore, be it

Resolved by the House of Representatives, That we urge the Food and Drug Administration to require that genetically modified foods be labeled as such and to allow non-genetically modified foods to be labeled as GMO-free; and be it further

Resolved, That copies of this resolution be transmitted to the Commissioner of the Food and Drug Administration, the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Agriculture.

Reps. Robinson, Durhal, Rutledge, Stanley, Dillon, Dianda, Kivela, LaVoy, McBroom, Clemente, McCann, Slavens, Segal, Brown, Stallworth, Talabi, Yanez, Switalski, Lane, Kandrevas, Kosowski, Banks, Roberts, Singh, Greimel, Tlaib, Zemke, Knezek, Schor, Geiss, Barnett, Faris, Smiley, Lipton, Darany, Haugh, Oakes and Nathan offered the following resolution:

House Resolution No. 194.

A resolution to declare September 6, 2013, as Phi Beta Sigma Anti-Hazing Day in the state of Michigan.

Whereas, Phi Beta Sigma Fraternity, Inc., was founded at Howard University on January 9, 1914, by the Honorable Brother A. Langston Taylor, Honorable Brother Leonard F. Morse, and Honorable Brother Charles I. Brown, who wanted to organize a Greek letter fraternity that would truly exemplify the ideals of brotherhood, scholarship, and service; and

Whereas, For nearly 100 years Phi Beta Sigma Fraternity, Inc., has been a leading proactive community service organization. Proudly living out its motto of “Culture for Service and Service for Humanity”; and

Whereas, Phi Beta Sigma Fraternity, Inc., in its effort to educate the community on the indecency of senseless violence and injustice associated with the practice of hazing. Phi Beta Sigma Fraternity Inc., is leading an aggressive anti-hazing campaign intended to eradicate the culture of hazing from Black Greek-letter organizations and the broader community at large. The major anti-hazing campaign is entitled “Let’s Not Beat The Life Out Of A Beautiful Legacy”; and

Whereas, Phi Beta Sigma Fraternity Inc., has made successful efforts to form a national coalition of civic organizations, academic institutions, politicians, and concerned citizens to stand together to denounce and stop the culture of hazing; and

Whereas, Phi Beta Sigma Fraternity Inc., has proclaimed September 6, as its “National Day of Anti-Hazing”; and

Whereas, Phi Beta Sigma Fraternity Inc., National Anti-Hazing Day is a national day of activities with speakers and events intended to draw attention to the damage that hazing is doing to our communities, inform families what they can do locally to combat hazing, a reduction in the incidences of hazing in all organizations nationwide, and the passage of federal anti-hazing legislation; and

Whereas, Phi Beta Sigma Fraternity Inc., having six alumni chapters and fourteen collegiate chapters at universities throughout Michigan, is committed to putting an end to this divisive and destructive culture, which threatens to further decimate not only the African-American community, but also the wider society”; now, therefore, be it

Resolved by the House of Representatives, That that the members of this legislative body declare September 6, 2013, as Phi Beta Sigma Anti-Hazing Day in the state of Michigan. We support Phi Beta Sigma Fraternity, Inc., as they continue to work with residents, academic institutions, businesses, and government. By bringing the forces of many different communities together to attack this problem, the coalition hopes to destroy the culture of hazing and replace it with a culture of service; and be it further

Resolved, That copies of this resolution be delivered to Luther Glenn Jr., Chapter President of Alpha Alpha Beta Sigma of Metropolitan Detroit Alumni on behalf of the International President of Phi Beta Sigma Fraternity, Inc., and the other chapters based in Michigan.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Darany, Barnett, Brown, Geiss, Genetski, Heise, Howrylak, Kelly, Roberts, Singh and Slavens offered the following resolution:

House Resolution No. 195.

A resolution to commemorate July 27, 2013, as the 60th anniversary of the end of the Korean War.

Whereas, The Korean War began on June 25, 1950, when the Democratic People’s Republic of Korea invaded the Republic of Korea. Shortly after, the United States secured a resolution from the United Nations calling for the military defense of South Korea against the North Korean aggression; and

Whereas, The United States provided a majority of the hundreds of thousands of international soldiers which aided South Korean forces in repelling the invasion. Within months, fifteen other countries of the United Nations would provide troops and assistance; and

Whereas, During this three-year war, our heroic armed forces fought tirelessly to protect the rights and freedoms of the South Koreans. This action truly stands as a testament to the values upon which our nation was founded. We pay respect to those who served in this war and offer thanks for all that they sacrificed. These brave men and women helped define and shape the character of our nation; and

Whereas, The United States lost more than 36,000 of our own soldiers and approximately 8,000 service men remain missing from the conflict. Their sacrifice and the losses that their families have dealt with will always be remembered and we recognize and honor their devotion to duty and defense of freedom; and

Whereas, In observing this anniversary, all learn more about our nation and develop a deeper sense of respect and gratitude for those who have given up so much for their country; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body commemorate July 27, 2013, as the 60th anniversary of the end of the Korean War. We commend all those who fought and those who continue to make sure that their sacrifices are never forgotten.

The question being on the adoption of the resolution,

Announcements by the Clerk

The Clerk received the following dissent on **House Bill Nos. 4575, 4745, 4208, 4409, 4691, 4605, 4731, 4752, 4754, 4756, 4344, 4478, 4529, 4530 and 4525** and **Senate Bill Nos. 301, 264, 284 and 163**, from Rep. Irwin:

I continue to object to the use of procedural tricks to subvert the Constitutional rights of citizens to know accurately the actions of the House of Representatives. Motions for immediate effect are routinely gaveled through without even a pretense of vote counting. This motion requires support from 2/3rds of the members and there is no genuine effort to ascertain the level of support for immediate effect. I object to this practice and I object to the erroneous assertions printed in the House Journal that suggest an authentic counting of votes occurred on the House floor.

Rep. Kandrevas moved that the House adjourn.
The motion prevailed, the time being 5:30 p.m.

The Speaker Pro Tempore declared the House adjourned until Wednesday, July 3, at 10:00 a.m.

GARY L. RANDALL
Clerk of the House of Representatives
